Land adjacent Number 39 Eastfield Avenue, Norton, Malton  
For: Mr P Robinson  
RESOLVED Recommend Approval
- 14/00134/HOUSE       Erection of two storey extension to the side and demolition of existing extension (revised details to refusal 13/00498/HOUSE dated 23.07.2013)

Agricultural Contractors, Welham Road, Norton, Malton  
For: Thomas Crown Associates  
RESOLVED Recommend Refusal on the following grounds;
- Overdevelopment of what is a relatively small site, with insufficient parking leading to more congestion on surrounding streets.
  - Vehicular access to the site from both points cuts across a much used safe public footpath.
  - Increased flood risk, this site sits in the floodplain, and any further development would limit the drainage of ground water, which is already a problem in this area.
  - Impact on the sewage system, the Victorian sewers are already over capacity, and any further development puts residents in other areas, especially those living in the vicinity of Church Street, bottom end of St Nicholas Street and Welham Road at a much greater risk of having raw sewage impacting on their property whenever there is a period of heavy rain and the system is under pressure.
